# “Week For Women Only” on the Snake River in Hells Canyon.

AUGUST 21-24, 2006

Besides the incredible backdrop provided by Hells Canyon, the boating, the sunning, and the outstanding company—we've got some special things lined out for this year's rafting adventure.

- **Fly fishing focus featuring guest guide Melanie Holmes.**

Melanie is an Idaho native who started instructing and guiding in the Sun Valley/Ketchum, Idaho area seven years ago. She fished and led trips on Silver Creek, the Big Wood River, and Big Lost River. Melanie will be providing casting instruction, basic knots and tips on what to do on the water and from the bank. Beginner to advanced fisher-women welcome.

- **Yoga sessions with guest instructor Sandy Gebhards.**

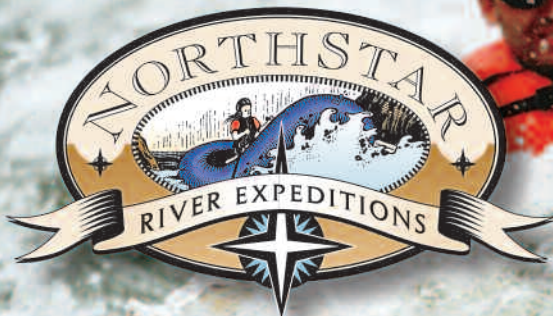

After many years of teaching yoga, Sandy is looking forward to helping our ladies on this trip to clear their minds and tune into the strength provided by the natural surroundings. Start each morning right—just you, the canyon, and the river.

- **Fine wines and delicious gourmet food.** Relax riverside each evening and laugh over stories of the day's activities! How better to do that than with a superb glass of wine paired with fabulous appetizers, followed with charcoal grilled meats and Dutch oven sides and desserts.

Our crew is looking forward to sharing all of our favorite things with you—beautiful sunny August days and starry nights on the river, fly-fishing, fun company & fabulous food and wine!

North Star co-owner and 13-year veteran river guide Tricia Warren will be leading the trip this year, and is looking forward to spending time with all of you who can attend. This all-inclusive, first class trip will begin and end in McCall, Idaho, and spend 4 days/3 nights on the famed Snake River in Hells Canyon.

**Cost is \$1180/person.**
